

Vision Statement

The vision of the Dodge County School System is that success leading to graduation is a portal to lifelong learning.

Mission Statement

The Dodge County School System is all about D.O.D.G.E. – **D**edicated to **O**ur **D**esire to **G**raduate **E**veryone.

Goals:

- Maintain and communicate a purpose and direction.
- Promote and support student performance and school effectiveness.
- Ensure teacher effectiveness and student learning.
- Provide resources and services that support and ensure success for all students.
- Generate a range of data about student learning and school effectiveness and use the results to guide continuous improvement.

Belief Statements:

- Self-concept affects the achievement of students.
- Every student has the right to learn and experience success in school.
- All students can learn.
- All students possess a desire to learn and come to school with varying levels of readiness.
- Knowledge is a key to success in life.

- Schools will provide the knowledge for all students to become productive members of society.
- Effective education must be applicable to the rapidly changing world
- Community and parental support are vital to a successful school environment.
- Learning is a life-long process.
- The educational process must meet the individual needs of students.
- The educational process of today will determine the future.
- A safe and orderly learning environment is essential to a quality education.
- Excellence in education is achieved through quality programs and staff.
- High school completion is the focal priority for all stakeholders.
